ANTI-EVE TEASING CAMPAIGN AWARENESS PROGRAMME

TRINITY College of Engineering and Technology, NSS volunteers participated in ANTI-EVE TEASING CAMPAIGN AWARENESS programme. Many organizations and people, in general, are not aware of women's safety in the workplace. It's very clear from the statistics and cases on sexual harassment in the workplace. To create awareness among the employees on women's safety and their health is vital. You can use all possible techniques and ideas to spread awareness. Workshops, open group discussions or activities can help to create awareness on women's safety in the workplace.
