- To create a healthy platform for teachers to share their knowledge thoughts.
- To interact with eminent people industrialists, academicians and scientist from research institutions to improve faculties, in dept knowledge of subjects.

### PARTICIPATION IN SPONSORED RESEARCH AND CONSULTANCY WORK

Every faculty member in addition to the regular academic work shall participate in carrying out sponsored research and consultancy work. They should singly jointly prepare project proposals in emerging areas and submit to various funding agencies for grant. After receiving the fund, they should execute the project and complete it successfully as per the terms and conditions of the sponsoring agency. The institute shall award an honorarium to the chief coordinator or principal investigator/co-investigator of the funded project with an amount equal to 2% of the total grant (1% at the time of receiving the grant and the remaining 1% after successful completion of the project).

For consultancy grants, the coordinator/investigator shall be eligible for an honorarium of 40%of the revenue earned and the remaining 60% of the revenue has to be retained by the college for providing infrastructural facilities such as power, water, machinery/equipment, etc., to accomplish the consultancy activities. If any man power such as lab technicians, office assistants, co- staff are utilized in carrying out the consultancy activity. The coordinator/investigator has to pay 10% of the revenue from his share as honorarium to them.
